**G33**

A G33 ministerial meet was recently held in Geneva, Switzerland.

[Ref: Wikipedia]

- The G33, or the **Friends of Special Products in agriculture**, is a **coalition of developing countries** that have coordinated specifically in regard to agriculture.
- It was established **prior to the 2003 Cancun ministerial conference**.
- Dominated by India, the group has "defensive" concerns regarding agriculture in relation to World Trade Organization negotiations, and **seeks to limit the degree of market opening required of developing countries**.
